

shared sacrifice among the Veterans, and the honor of having been one of the 16 million men and women who served during World War II. This "Greatest Generation" is responsible for so much of America's prosperity, and on behalf of the citizens of Michigan's First District, I would like to recognize these heroes for their service, sacrifice, and continued patriotism. The motto of the Honor Flight Program reads "We can't all be heroes. Some of us have to stand on the curb and clap as they go by." It was my pleasure to do so on September 22, 2011, and honor these heroes who are responsible for the greatest victory of the 20th Century.

THE 100TH ANNIVERSARY OF THE  
REPUBLIC OF CHINA (TAIWAN)

**HON. BRIAN HIGGINS**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, October 3, 2011*

Mr. HIGGINS. Mr. Speaker, I rise today to congratulate the Republic of China on its 100th Anniversary, which will take place on October 10th of this year.

I am proud to celebrate this tremendous milestone for Taiwan, not only because of the state's strong relationship with the United States, but as an example worldwide of the power of democracy to improve the quality of life for all citizens and create a healthy and diverse economy.

Indeed Taiwan was established to reflect the principles of Dr. Sun Yat-sen, a man who had a vision for a democratic Chinese state inspired by American ideals of freedom of expression, representative government, and an independent judiciary. The promotion of these ideals is never easy, and the promotion of democracy in Taiwan has been a long process to be sure, yet the principles established by Dr. Sun remain a hallmark of Taiwan today.

And just as Taiwan was an early Asian backer of democratic principles and ideals, the ROC government—on Taiwan since 1949—was also an early adapter and proponent of market reforms and economic liberalization that define the modern global economy. Taiwan has seen a meteoric rise ever since, is a force in the global technology sector, and the island's economy is one of the largest in Asia and in the top tier of the developed world.

I want to again congratulate Taiwan on this most auspicious anniversary, and I look forward to continuing the strong and deep relationship between Taiwan and the United States.

Mrs. ADAMS. Mr. Speaker, I would like to congratulate Matthew Christopher Salazar for achieving the rank of Eagle Scout.

Throughout the history of the Boy Scouts of America, the rank of Eagle Scout has only been attained through dedication to concepts

I offer my congratulations on a job well done and best wishes for the future.

HONORING MAURICE SPIEGEL

**HON. MIKE QUIGLEY**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Monday, October 3, 2011*

Mr. QUIGLEY. Mr. Speaker, I would like to recognize my constituent, Maurice Spiegel, who will turn 100 years old on October 27, 2011. Maurie, as he is known, is the son of Max Spiegel and Ida Kaplan, and has an older sister, Tillie, and five brothers, Lou, Irv, Frank, Hy, and Bill.

Growing up near Roosevelt Road and Halsted Street in the City of Chicago, Maurie encountered great difficulties as a young boy. His family struggled to make ends meet, and his mother had to raise the children on her own. To help his family, Maurie began selling newspapers, putting whatever he earned under his mother's pillow. When his family could no longer afford school supplies, Maurie dropped out of high school and started working in order to contribute even more.

According to his family, Maurie was very athletic as a child. He was well known for his skills in soft ball and hitting home runs. He was also a great swimmer, once saving a child from drowning. Living in a tough neighborhood, Maurie learned to defend himself and his younger brothers, though he always maintained that he never started a fight, just finished them! Today, Maurie is now known for his outstanding ability in the game of checkers.

During World War II, Maurie served in the U.S. Army from 1941 to 1945 and was stationed in Attu, which is the westernmost island of the Aleutian Islands of Alaska. Maurie obtained his high school G.E.D. and took several college courses under the G.I. Bill after his military service. He worked various positions for the United States Postal Service in Chicago for 27 years until his retirement. Despite being retired, Maurie worked as a messenger for Continental Bank for another 15 years. Since high school, Maurie has worked full time until he was almost 80 years old.

Maurie married the love of his life, Lucille, and had one son, Harvey. Lucille and Maurie moved into North Park Village Apartments in 1984. Lucille passed away in 1987. Harvey says of his parents, "My dad was the most loyal and reliable husband to my mom. They were a couple who truly loved each other."

Mr. Speaker, I ask my colleagues to join me in honoring Maurice "Maurie" Spiegel on his 100th birthday. His life is a wonderful testament of his immense love for his family and of his outstanding dedication and service to his community and the United States of America.
